C. M. MARTINI, *Il tesoro dello scriba. La spiritualità del prete* (Bologna: Dehoniane, 2010, paper €9) 119 pp. ISBN: 978-88-10-10884-0.

The ten essays in this collection concern the experience of the covenant; a love total and without holding back through the Lord Jesus Christ; people in communication united to the crucified one; always realizing in ourselves the gospel of charity; the importance of intellectual conversion; contemplating Jesus as a communicator; the treasure of the scribe—the ongoing formation of priests; the vigilance of the priest; the end of the Law and love; and standing near the cross of Jesus. Cardinal Martini is archbishop emeritus of Milan.
