GIOVANNI IBBA (ED.), *La biblioteca di Qumran: Edizione bilingue dei manoscritti*. Vol. 2, *Torah: Esodo, Levitico, Numeri*, trans. G. Ibba (Bologna: Dehoniane, 2014, paper €55) xxxv and 456 pp., 2 maps. Bibliographies. Indexed. ISBN: 978-88-10-30302-3.

The Italian version of the 2010 French work described in *NTA* 55, p. 407, this volume provides introductions to and Italian translations of the Hebrew and Aramaic manuscripts found at Qumran and Masada that are associated with the books of Exodus, Leviticus, and Numbers. The texts and translations appear on facing pages, with notes on each below the respective pages. The texts include (among many others) various parts of *Jubilees*, *ps.-Jubilees*, and an Exodus Apocryphon. The editors of the French bilingual edition were K. Berthelot and T. Legrand, while Ibba has overseen the Italian edition with the collaboration of A. Ravasco.
