G. RAVASI, *Daniele e l'Apocalittica. Cinque conferenze tenute al centro culturale S. Fedele di Milano* (Bologna: Dehoniane, 2014, €17.40) CD. Bibliography. EAN: 80-3357-6-84044-4.

This CD contains MP3 audio files of five lectures on Daniel and apocalyptic. Ravasi first discusses the apocalyptic world—between history, escape, and hope. Next he considers the “apocalypse” in Isaiah (Isa 24–27; 34–35) and “apocalyptic” symbolism in Ezekiel. Then he speaks on the eight visions of Zechariah 1–8 and the eschatology of Zechariah 9–14 and Joel. In the last two lectures he discusses Daniel 1–6 and Daniel 7–12, respectively. Also included is a 24-page booklet summarizing the content of the lectures and providing a brief bibliography.
